

# SAMPLE SYRF Organizer Contract

Dear SYRF Activist,

Congratulations on becoming part of the Spiritual Youth for Reproductive Freedom (SYRF) organizing program! We are thrilled that you will be working with the Religious Coalition for Reproductive Choice and SYRF.

The prospect of continued SYRF activity at your school is a very exciting opportunity for us as an organization! We deeply appreciate the energy you have already put into SYRF and look forward to the same level of creativity and passion over the coming months.

Our expectation is that you will spend an average of 6 hours per week in SYRF organizing, and that this may include meetings with your fellow students, event planning and promoting, communicating with SYRF supporters, succession planning, coalition building, and keeping yourself informed about pro-choice activity in your state. For this, you will receive a stipend of \$500 a semester.

In addition to this stipend, you are encouraged to apply for funding needed for specific programs through RCRC's national office! An easy grant application is available on our website ([www.syrf.org](http://www.syrf.org)) under the "Get Involved" section.

## As a SYRF organizer, you will be required to:

- Submit a monthly report (one page or less sent by e-mail) about your progress
- Plan at least two events during each semester
- Provide both RCRC national staff with photographs from all events and the names and e-mail addresses of all interested students
- Participate in 2 phone calls monthly with national SYRF staff

## RCRC national staff will be responsible for:

- Regular supervision of SYRF organizers through conference calls two times a month
- Planning, goal-setting, leadership succession, and recruitment strategy development
- Provision of SYRF branded materials and programmatic grants
- Keeping RCRC staff apprised of SYRF activities

Now that you're on board as an organizer, please e-mail us and let us know when you are available to speak by phone (we will hold conference calls twice a month sometime between 9:00 AM and 5:00 PM during the work week). Once we have a phone call time confirmed, we can get to work!

We are available as resources and supporters as you move forward with SYRF organizing! We will keep you informed regarding resources we have available as well as local and national training opportunities.

We hope this will help us stay connected and give you the support you need for your work.
